Elevate your expectations and get more out of your home's indoor comfort system performance

As you think about the functionality of your home's indoor comfort system, the Daikin brand is ready to help you achieve control, energy efficiency and long-term peace of mind. Take that attention to quality one step further by choosing a Daikin brand energy-efficient packaged air conditioner or heat pump. We have designed and engineered all of our products to provide years of consistent indoor comfort – delivering you and your family premium comfort for life.

Bold performance

A better understanding of how people inhabit their living spaces has led to products designed to create indoor environments that use energy resources more effectively. At Daikin, our packaged gas/electric units have factory-installed components that provide efficient and economical performance and maintain a long service life. For replacement or new construction, a Daikin packaged gas electric units will provide efficient comfort to your family for years.

"I'm a Daikin Comfort Pro"

Those five simple words can offer you comfort like you've never experienced. The words mean that the dealer you invited into your home is a highly-qualified and continuously-trained professional who will quickly, efficiently and effectively help to solve any of your indoor comfort needs.

All Daikin Comfort Pro dealers seek to achieve the highest levels of customer service, business integrity, and technical competency. These range from maintaining an excellent rating with their local Better Business Bureau (BBB) to taking continuing education classes on how best to install and service Daikin brand products. To retain this status, Daikin Comfort Pros must deliver their best abilities to each and every customer, year after year.

A commitment to your comfort

Daikin Comfort Pros believe that a well-informed homeowner is the best possible customer. All Comfort Pros will take the time to help understand your unique comfort needs, assess the performance of your current indoor comfort system, and thoroughly discuss all options with you.

A commitment to provide you the right service and products

Daikin Comfort Pros have access to one of the most complete lines of indoor comfort products and systems available. As the #1 manufacturer of indoor comfort systems and refrigerants in the world, Daikin offers you a full line of comfort solutions that ensures that a Daikin Comfort Pro can provide the perfect solution to your home.

A commitment to serve you over the long term

Daikin Comfort Pros want to earn your business. They want to be your long-term provider for all your indoor comfort needs. To help deliver on this commitment, you can take peace of mind with the limited warranty* coverage offered on your Daikin brand indoor comfort product or system. The Daikin Comfort Pro has access to one of the best limited warranty* programs in the indoor comfort industry.

Efficient and dependable packaged comfort systems for worry-free comfort

Daikin brand packaged gas/electric units proved premium comfort and technology to homeowners while helping to lower energy bills as compared to lower SEER units.

Daikin brand packaged units sit on the ground or rooftop outside your home and deliver quiet comfort from a single self-contained units. A high-efficiency Daikin packaged gas/electric unit operated as an electricity-powered air conditioner during the summer, and a gas-fueled furnace during the winter. Daikin units come fully charged and tested – direct from the factory. Plus, you have the satisfaction of knowing your Daikin unit uses chlorine-free R-410A refrigerant.

You can count on a Daikin brand packaged air conditioner or heat pump to deliver premium *Comfort for Life* to your family for years and years.

The Daikin Comfort Promise

Ultimately, the commitment to provide you with Comfort for Life is represented and reinforced in the Daikin Comfort Promise.

If, for any reason, the Daikin Comfort Professional has not met your expectations within one year of your equipment or system installation, please contact the installing Daikin Comfort Pro and ask them to honor the Daikin Comfort Promise. The

Daikin Comfort Pro will return to your house to resolve any issues that you have with your installation at no cost to you.

As part of formally maintaining the Daikin Comfort Pro distinction, the Daikin Comfort Pro will make all reasonable efforts to resolve any concerns you have within one year of your equipment installation. If a Daikin Comfort Professional does not meet your expectations, they risk losing the ability to sell Daikin products.

With the Daikin Comfort Promise, you can have peace of mind that your Daikin Comfort Professional will continue to earn your business well after the sale. If not, they cannot be a Daikin Certified Professional. Period.
